ORDER

GREGORY H. WOODS, United States District Judge:

On October 6, 2021, Kenneth Lacen filed a “Motion to Clarify Disbursement of Funds” (the “Submission”). Dkt. No. 909. The Submission was not properly designated as a motion, as it requests no relief from the Court. Instead, it simply transmits the address to which the defendant wishes that the Government return any funds to him. The Court reminds the parties that they can communicate without the need for Court intervention.

The Clerk of Court is directed to mail a copy of this order to Mr. Lacen and to close the motion currently pending at Dkt. No. 909.

SO ORDERED.
